# Why WE3 events

We have delivered fabulous wedding event experiences over the last two decades and are now poised to chart out a whole new growth story. Discerning individuals across the globe have trusted us with their wedding event planning and we have managed some of the most reputed weddings worldwide.

We blend the best of traditional and modern elements with precision detailing, and create the perfect ambience for your once-in-a-lifetime special event. In addition to the mandatory requirements for a wedding, we create customized experiences in the areas of guest entertainment. From arranging popular indian and international artistes and performers, to scripting entertaining and interactive performances, we will render an unforgettable experience for your esteemed guests.

# Our vision

WE3 offer a distinctive range of decor and designing of new concepts to suit both traditional and modern taste. Our impressive portfolio includes elegant mandaps and aisle accessories, spectacular venue and foyer decorations, contemporary flower arrangements, an extensive choice of uniquely designed backdrops, an array of lighting schemes and exquisite table decorations.

In addition to helping you choose and customize items from our portfolio, our wedding coordinator will work with you to compose the ideal setting, style and theme for your entire occasion. We guarantee to make your special celebration an occasion to remember! Our comprehensive wedding packages ensure that you receive the entire decor you need to make your wedding day a memorable memories...
